PAGES 1

ORIGIN [REDACTED]

SUPPLEMENT

25X1X6

In June 1947 certain items such as livestock, hides, and furs from the Hulun-buir (Barga) area were being bought up by the Soviet Far East Trading Company at Hailar (119-44, 49-13) at prices usually one-third higher than the prevailing market price. The trading company thus succeeded in buying most of the available stock. Merchants were paid in Communist Northeast notes.
